

Philip Smith

Web Developer

## PROFILE

As a Web Developer, I strive to create dynamic, interactive, and responsive websites that definitively put the client & their product on display. I'm a people first collaborator that loves to work together to achieve a common goal. Being able to implement complex web applications using HTML, CSS & JavaScript is what I love to do.

- ANALYTICAL SKILLS
- RESPONSIVE WEB DESIGN
- GIT
- SEO

## WORK EXPERIENCE

- **Kinetic Communications** / FEB 2020 - PRESENT  
**Web Developer Apprentice:** Learning the web development process of building custom websites for clients, working with websites integrated with WordPress as CMS, and updating existing client websites. Built website from scratch to import into WordPress as custom theme. Gained experience in budgeting time for various web development tasks.
- **Life.Church** / SEP 2018 - JUL 2019  
**Small Group Pastor:** Led a team to develop leaders, increase small groups to attendee ratio, and identify key leaders. Installed new systems to make onboarding of new leaders more efficient. Directly led and managed multiple projects and initiatives aimed to increase involvement and productivity.
- **APPLE** / AUG 2017 - AUG 2018  
**Product Specialist:** Actively sought to fulfill the needs of every person I came in contact with by asking questions and seeking to understand which product(s) would best accomplish their goals. I was able to communicate concepts and technologies to people from every background and knowledge level. Provided customer service that exceeded the expectations of the company and performed consistently at a level above my peers.

## PERSONAL STRENGTHS

- |                     |                        |                 |                        |
|---------------------|------------------------|-----------------|------------------------|
| ● LEADERSHIP        | <div><div></div></div> | ● COMMUNICATION | <div><div></div></div> |
| ● CRITICAL THINKING | <div><div></div></div> | ● ORGANIZATION  | <div><div></div></div> |
| ● TEAM WORK         | <div><div></div></div> | ● CREATIVE      | <div><div></div></div> |
| ● LEARNER           | <div><div></div></div> | ● TRUSTWORTHY   | <div><div></div></div> |

## EDUCATION

- **TECHDEGREE: FRONT-END DEVELOPMENT** / SEP 2019 - FEB 2020  
**Treehouse:** Over the course of the program, I have learned HTML, CSS & JavaScript to build engaging and interactive websites. In total, I have created 9 projects all of which have been reviewed & graded by industry professionals. Each project received an 'exceeds expectations' grade going above and beyond what was required.

## PROFICIENCY

- |              |                        |             |                        |
|--------------|------------------------|-------------|------------------------|
| ● HTML5      | <div><div></div></div> | ● CSS3      | <div><div></div></div> |
| ● JAVASCRIPT | <div><div></div></div> | ● BOOTSTRAP | <div><div></div></div> |
| ● WORDPRESS  | <div><div></div></div> | ● PHP       | <div><div></div></div> |
